

Thank you for considering a Grow With Me Tee™ fundraiser!

**Who we are:** We are a small business launched by two mom-preneurs who love our kids and have fun photo-journaling them as they grow.

**Why you should Grow with us:** Our tees are high-quality, provide parents and kids a fun way to interact over the years, and are calorie-free! Your organization gets 10% of the sales price of tees (including onesies) purchased through your fundraiser. That means even a small sale of 25 shirts will still get you at least \$50 for books, art supplies, or whatever your organization may need. The main fundraiser organizer will get one free tee if at least 40 are ordered and two free tees if at least 75 are ordered. Your organization does *not* have to be a non-profit to participate in our fundraiser program.

**How to Grow with us:** We do our best to make partnering with us require minimal work for you. There are 4 simple steps:

- (1) Email us at [growwithmetee@gmail.com](mailto:growwithmetee@gmail.com) to set up your fundraiser. Include:
  - a. your name;
  - b. the name of your organization + the name and contact info of its representative who approved the fundraiser;
  - c. the date by which you want the tees delivered;
  - d. your best estimate of how many tees you expect to be ordered; and
  - e. the address where we should deliver the tees (we deliver all tees directly to your organization, along with an order list of who ordered what).
- (2) distribute the flyer we send with your fundraiser confirmation;
- (3) remind your families to order by your fundraiser deadline;
- (4) distribute the tees to your families once they are delivered

Your families can order tees directly through us, so you will not need to handle any money or collect order forms. Of course, if you prefer to have more control of your fundraiser, just let us know, and we are happy to provide you hard copy order forms and let you collect payments.

**A few things to note:**

- On our order pages, there is an option to designate the order for your specific fundraiser. Make sure you tell your families to do so, so that you get credit for that sale and we get people they shirts they order.
- Mothers' Day makes a perfect anchor for your first Grow With Me Tee™ fundraiser. If you want your tees in time for Mother's Day, you families must submit all orders **no later than Friday, March 28th**. If Mother's Day is not a hard deadline for you, know there is about a 5-6 week turn-around time from the order deadline date, so please plan your fundraiser accordingly.

**Got questions?**

We are happy to help! For more info about us and our fundraisers, please visit: [www.growwithmetee.net](http://www.growwithmetee.net) If you have questions that aren't answered by our website, feel free to contact us at (516) 218-1257 or [growwithmetee@gmail.com](mailto:growwithmetee@gmail.com).

Happy Growing!  
Nicole & Bethany, Chief Moms
